WHAT ARE SPRINGBROOK MONTESSORI PARENTS SAYING?

WHY DID YOU CHOOSE THE MONTESSORI PROGRAM AT SPRINGBROOK?

We wanted our son to love learning

More unconventional teaching methods, hands-on learning, student-centered approaches

We wanted to continue the Montessori methods and concepts that they utilized in preschool.

I believe in the Montessori education philosophy

WHAT ARE SPRINGBROOK MONTESSORI PARENTS SAYING?

WHY DID YOU KEEP YOUR CHILD/CHILDREN IN THE SPRINGBROOK MONTESSORI PROGRAM?

The Montessori model has been a lovely experience. The nurturing aspect of it has helped our boys to enjoy going to school and having more independence in their learning.

We are thrilled that he pursues passion learning projects collaboratively with friends

We have had good experiences with the program and teachers. Springbrook itself is a great community and welcoming school.
